Programming Languages
C++, Python, Java, C, JavaScript, HTML/CSS

Databases
MySQL, MongoDB

Frameworks and Tools
Node.js, React, Pandas, NumPy, Matplotlib, VS Code, Tailwind CSS, Git, Jupyter, Spyder, MySQL Workbench, Postman

PROJECTS

CoWatch – A Virtual Theatre
Tools: HTML, CSS, JavaScript, Node.js, MongoDB, React
Link: https://co-watch.vercel.app/

CoWatch is an interactive virtual theater platform that allows users to watch movies together online with real-time video calls, reactions, and reviews. The platform integrates with popular streaming services for a seamless shared viewing experience.

Podicast Web Applicaton
Tools: HTML, CSS, Javascript, Firebase
Link: https://podi-cast.vercel.app/

PodiCast is a user-friendly Podcast Hosting Platform designed for individuals and organizations to easily upload, manage, and distribute podcasts. The platform offers intuitive tools and engaging features to cater to both content creators and listeners.

WORK EXPERIENCE

Web Developer Intern   **August 2023 - September 2023**
TechnoHacks EduTech
Skills: HTML, CSS, Javascript

Successfully completed a **2-month internship** at **TechnoHacks EduTech**, where I developed and optimized web applications using **HTML, CSS, and JavaScript**. I implemented responsive designs to enhance user engagement and collaborated with a team of developers, contributing to front-end development and debugging. Additionally, I optimized website performance to improve loading speed and overall user experience.

EDUCATION

Shri Vaishnav Vidyapeeth Vishwavidyalaya   **2025**
B.Tech - Computer Science
Pursuing a B.Tech in Computer Science with expected graduation in June 2025, maintaining a CGPA of 6.9

LICENSES & CERTIFICATIONS

Introduction to Cloud Computing - IBM on Coursera
Aggregate: 98 / 100
Key Skills: Cloud Computing, Cloud Services, AWS, Google Cloud
Achieved certification in 'Introduction to Cloud Computing' from IBM on Coursera, gaining essential skills in Cloud Computing, AWS, and Google Cloud that empower effective utilization of various cloud platforms.
